

I remember when I was six years old and I'd watch my grandmother sew while sitting on our antique living room couch. She was a seamstress who constructed different types of clothes. I remember hearing stories from my mother, as she would explain to me how my grandmother would sew her uniforms and different play clothes for her and my auntie.

Watching my grandmother sew at such a young age fueled a love for designing and constructing garments in me.

I attended Santaluces High School in 2009 and while I was there I was enrolled in The "Fashion Design Academy." I won "Best Designer" and "Fashion Valedictorian." Unfortunately, the program was discontinued due to budget cuts.

Today, I still practice my skill. I am determined to find my personal style! My ultimate goal is to make **BOLD** Modest Apparel. In ALL that I do, I WANT **CHRIST** to be Glorified!
"Be Blessed, Be BOLD, and don't forget that you are FEARFULLY AND WONDERFULLY MADE!"

Bold Academy

Kathie Neller

Bold Academy is a mini collection based on Preparatory Schools. I was inspired by the pleated skirts that the female students would wear as they attended their classes.

The Colors that are involved in this collection is a Brownish plaid, burgundy and black.

The patterns were hand constructed and NOT purchased from a store.

This collection took approximately five days to design and construct.

Thank You
